THE FORTY-MINUTE WAR

Josephson-Storm points out that there are vastly different and mutually contradictory periodizations of the Enlightenment depending on nation, field of study, and school of thought; that the term and category of "Enlightenment" referring to the scientific revolution was actually applied after the fact; that the Enlightenment did not see an increase in disenchantment or the dominance of the mechanistic worldview ;

and that a blur in the early modern ideas of the Humanities and natural sciences makes it hard to circumscribe a Scientific Revolution. My next problem was with all of the different POVs.

QUARTER-LIFE CRISIS: A COLLECTION OF CRISES (In Rhythm)

This is the first mainstream movie to fully digest the events of September 11th and to deal with them in a way that starts to sort out who we are now as a result. The last half of the 20th century, despite playing leading roles in the fight against colonialism and nation building of their respective nation-states, has not been kind to the aspirations of the Berbers in North Africa.
