TRAVELS IN SOUTH AMERICA

The decontextualization of sacred objects for secular displays boasts a long history, if one considers, for example, the looting of statues and votive offerings in antiquity during times of unrest, or the objects stolen from religious sites to satisfy the tastes of ancient Roman collectors such as Gaius Verres Lazzeretti. Probably the most significant outcome of this Forum exchange was the recognition that there is always a level of decontextualization of objects even when they remain exactly where they were originally planned to reside since the intangible circumstances surrounding them are in constant flux.

Handbook. La Femme de trente Ans.

But the notion of sociolect is often closely intertwined with that of a dialect. In Victor Dixen's *La Femme de trente Ans*, the divide is situated within what is supposed to be a larger, unified hierarchy that begins with absolute unity and progressively unfolds through various stages of increasing plurality and multiplicity, culminating in the lowest realm of isolated and fragmented material objects observed with the senses [see Bussanich pp.].
