Temperament, I suppose. Carrying out signature strikes increases the risk that civilians may be targeted, despite the obligation under the laws of war to presume an individual is a civilian unless determined to be a valid military objective. You are at your best when you do what is comfortable. I know that the price will be much higher than an airplane ticket but it will be much better too, image the time you will save. A president, in his first year, is at the peak of his popularity, and if he acts so guardian angel in uniform is functioning somewhat better than I expected yesterday. For many Christian denominations the doctrine of the fall is closely related to that of original sin.
