## **Single Parents in Pursuit of God: Thriving in a Barren Place**

But, besides the punishments of childhood, without which there would be no learning of what the parents wish - and the parents rarely wish anything useful to be taught - who can describe, who can conceive the number and severity of the punishments which afflict the human race - pains which are not only the accompaniment of the wickedness of godless men, but are a part of the human condition and the common misery - what fear and what grief are caused by bereavement and mourning, by losses and condemnations, by fraud and falsehood by false suspicions, and all the crimes and wicked deeds of other men.

## **Life on Mars**

The main words in the title of this bibliography, and the lists of 'terms used', have the potential to annoy somebody, some interest group, some sensitive critics, somewhere in the world. Spotlight On The Philippines.
