But the serpent pair escape, slithering away to the high temple, and seek the stronghold of fierce Pallas, to hide there under the goddess's feet, and the circle of her shield. He will fight savagely. Yes, there are a number of spots where it seems like this book contradicts itself the whole therapist business, the fashion magazines, etc etcand if you want to nitpick the entire thing as though it's a classic of world literature, you're bound to find many faults. My suggestion btw, based slightly modified proposal of user The region is predominantly ethnic Armenian and effectively under Armenian control. Il faut rapprocher cette remarque des propos de Stochove au sujet de ce tombeau, cf.
