We solve the corresponding Fokker-Planck equation and show that the nonequilibrium noise yields to a nonmonotonic dependence of the precession spectrum linewidth on the current. The promise of this book is that it shows readers how to find a way out of suffering by waking up to the nature of reality and the nature of mind, to find the peace and happiness they seek in the present moment. The amount of information that Berger has put across is astonishing and leaves one feeling that this is food for the soul. As Roe indicates, this in particular is a significant limitation of live-action film. For this reason, the sub-question of the role of the archival will be especially relevant in a discussion of the later two films. Denn warum soll ich, wenn ich schon das Bequemste ablege, in das Unbequemste hineinsteigen.
