Oval shapes can be drawn along the top of a grid, and the child then fills them in to create portraits of the people he wants to use as elements. We test this prediction using our exact result for the distribution of areas.

I Can Do It! (Little Golden Book)

A lovely page turner to loos Reading this book was like waking up on a spring morning after a long dreary winter to the sound of the dawn chorus, after a reading slump of a few weeks I really was delighted when this novel came up as a book club read, having read it in and loved the book I knew enough time had lapsed for me to forget the details of the story but not the wonderful characters. In the light of Conrad's other tales we know that it is because he is guided by well-established habits that he is able to complete his mission and carry Kurtz back to his cot, though not before he himself has apprehended the lure of the primitive.
