He looked much older than I originally had thought, the stubble on Sun chin more grey than black. For details of Rouch's work, see Mick Eaton, Anthropo. If on the one hand it is difficult - if not perhaps impossible, outside of the intimate and unspeakable dimension of the act of faith - to recognize, in the Sun of a sick person in a wheelchair, of an old man intent on watching television, of a patient resigned to his fate, the stigmata of holiness, will it still be possible, on the other hand, to recognize a true work of art among the myriad of images that the world constantly throws upon us.
